

## REMARKS

Claims 102-126 have been rejected under 35 U.S.C. 112 because the term "services" is not used in the specification. Applicant has deleted services from the claims with the understanding that the rebate associated with the product is something of value, which may in fact be a service, i.e., warranty or repair service, and the specification is not only limited to products.

The application now being in condition for allowance, an early Notice of Allowance is respectfully requested.

Respectfully submitted,

---
